

Warninglid Bonfire night 2023

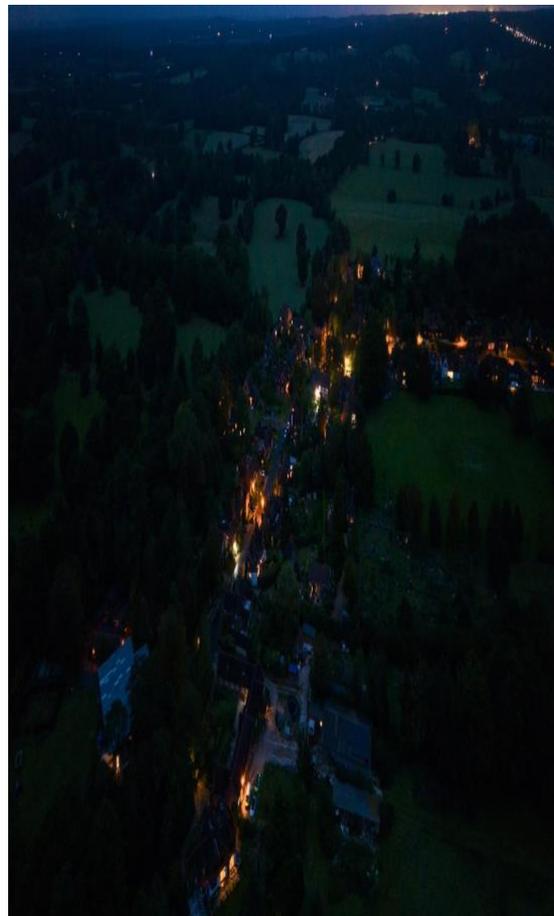

Warninglid Bonfire night

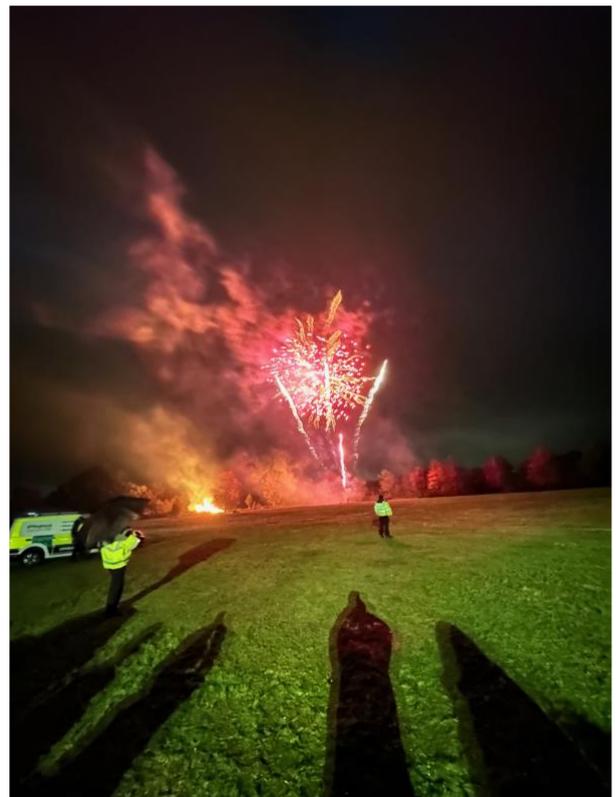

The highlight of the year! After much preparation and work from the bonfire committee and band of volunteers, the marquee was erected, the bar made ready and the hot dogs were cooking. The children's procession was underway and the Pizza van was taking orders. Security was patrolling the area.

So what could possibly go wrong?

The heavy rain, strong winds, thunder and lightning did nothing to deter the 300 odd people who were there to enjoy the evening, and so it went ahead as planned.

Although there was some difficulty in lighting the bonfire and even more difficulty starting the fireworks, which started after the gazebo next to the bar was retrieved following a particularly enthusiastic squall!

With grateful thanks to Matt for leading the event and Tony, Nigel, Tricia, Carol, Claire, Jeannette and those that helped behind the bar, Maral, Martin , Anita, Ann and Mariola.

Gary at Kissingate for delivering the beer

Ceri and Alex of Oi Pizza

Carl's security team who gave their services for free

And the many, many volunteers who helped build the bonfire, erect the marquees and gazebos and helped clear up afterwards.
